Bella Donna

PERFORMER BIO

Chicago drag queen, host and entertainer

Bella Donna is a Chicago drag queen, host and entertainer with a soft spot for vintage glamour. Think pin-up polka dots, leopard, feathers and roses, and a wig with more volume than your group chat.

On the mic she is quick, warm and just a little bit wicked. Whether it's Pride Month at the office, a float in the parade or a bride-to-be who deserves a proper send-off, Bella makes every guest feel like the guest of honor.
